JAGUAR

The choice of Jaguar models is now so wide and varied that whatever your preference may be you can be sure of finding a model matching your requirements. All that is best in the long tradition of British craftsmanship and engineering design has been incorporated in the "S" Type illustrated and briefly described in this folder and you can be sure of the utmost performance, value, comfort and safety. The "S" Type is powered by the famous 3.4 or 3.8 litre Jaguar XK twin overhead camshaft engine and it is no mere 'cliche' to state that no engine in the wide world enjoys a higher reputation for complete reliability under all conditions. This famous engine has carried Jaguar cars to success after success on racetracks throughout the world including no less than five record breaking victories in the toughest race of all—the Le Mans 24 hours International Grand Prix d'Endurance.

AUGUST 2006 NEWSLETTER

CAIRNS' YORKEY'S KNOB WEEKEND

It rained. It rained a lot. As a consequence, no Jag photos were taken. Can you believe that?! (Editor's note: Jan and Joe - you are on notice to try harder next time!)

Monika & John went to a lot of trouble and managed to put on a lovely Saturday night dinner for the drenched darlings. This was very much appreciated by those who attended. Thank you!

General consensus was that second class service was to be had from certain establishments in Cairns and further points north. Noted: Townsville (and any other place for that matter) has a much better attitude towards its tourists.

BAD NEWS – GET WELL SOON

Fred (Cairns) is not particularly well at the moment and is currently in hospital. We all wish you well Fred and a speedy recovery.

GOOD NEWS – CONGRATULATIONS!

Guess what? Dick and Anne (Atherton but formerly Townsville) are getting married shortly. Hurray!! Hope all goes well on the big day.....but was this the trade off for being allowed to buy a Mk II, Dick? We need to know!

BON VOYAGE!

Alan (Townsville) is heading off to Hong Kong shortly for three weeks to see his granddaughter again. Get your duty free plonk order in early.

WELCOME!

Welcome to our new club member John from Bowen. We hope to see you around occasionally!

IT'S A JOKE !

Miss Beatrice, the church organist, was in her eighties. She was admired for her sweetness and kindness to all. One afternoon the pastor came to call on her and she showed him into her quaint sitting room. She invited him to have a seat while she prepared tea.

As he sat facing her old Hammond organ, the young minister noticed a cut-glass bowl sitting on top of it. The bowl was filled with water, and in the water floated, of all things, a condom! When she returned with tea and scones, they began to chat.

The pastor tried to stifle his curiosity about the bowl of water and its strange floater, but soon it got the better of him and he could no longer resist. "Miss Beatrice", he said, "I wonder if you would tell me about this?" pointing to the bowl.

"Oh, yes," she replied, "Isn't it wonderful? I was walking through the Park a few months ago and I found this little package on the ground. The directions said to place it on the organ, keep it wet and that it would prevent the spread of disease. Do you know I haven't had the flu all winter?"
