SOCIAL EVENTS

Australia Day Run 26th January 2012

By Julie Zapparoli

There was a fantastic turn out for the Australia Day Jaunt - 13 cars in total.

All gathered at Woolly Fleece, where cars were decorated with Aussie flags. It was amazing the number of people that pulled up and came over to see what was going on. Children were especially enthralled with the display.

In file, we all headed into the city, regrouping at the Casino, then along the Strand to Queen's gardens.

It was supposed to be a leisurely morning tea, but it was not to be.

Ray managed to lock not one, but two sets of keys in the car.

Of course it was Julie's fault for locking the back door too quickly!

Everyready Ted had a wire coat hanger in the boot, with most of the men having an attempt to break in. Kevin thought he had solved the problem when he successfully unlocked Jeff's already unlocked Jag, only to be told he had broken into the wrong car.

What Keys?? Ray

Bill managed to back himself into a rain filled gutter and Judy had trouble starting her baby, but with Reg's magic touch got her going.

Between the heat and time marching on everyone rightfully gave up on Ray's dilemma and headed off. Reg and Jan (who have to get to know Ray better!) felt sorry for him and waited for the R.A.C.Q. to arrive.

Marcia in the lead car was seen sprinting down Paxton Street on foot, braving oncoming traffic to save her flag. That's what you call patriotism!

After a lovely drive down to Pallarenda where many onlookers cheered us on, everyone met at a very busy Avenues Hotel for a very late, extended lunch.

Marcia and Ted won an impressive meat tray and Julie managed a photo from Andrew Symonds (the Cricketer) of course in front of the Jags.

Great day and best of all it didn't rain

Pete was really hungry!!!

My name is Murray Scoble, the proprietor of a little business you may of heard of. "PENINSULA JAG P/L" Originating from Victoria and getting underway in the late 50's and known as 'Bob How Jaguar'(My Uncle) right up until a change of ownership and name in the mid 70's. I have been at the helm now since 1991 and to the best of my knowledge would have to be one of the longest standing one make (Jaguar) specialist businesses in Australia. Yep 50 years plus and still going. Recently however I have moved and geared down the business and am concentrating strictly on the overhauling of Jaguar and Daimler motors, short or long, yours or mine and strapping them to pallets and sending them all over the countryside from my well organized workshop Sth East of Brisbane.
