SOCIAL EVENTS

What a great start to the Year. 10 cars made the trip to the Rollingstone Pub.

We all met at the Yabula Roadhouse on Sunday 27th for a run to Rollingstone for lunch. Those attending were Bill in his X stype, Sam and friends in his MK2. Brendon and Terri looking smart in their XKR Coupe, Peter in his XJ6. Also Keith & Judy in their XJS, Fred & Linda ready to sort out the mob in their sporty XKR convertible. Ed & Rowena keen to show XJ6 Betsy's paces. Richard & Elizabeth taking off with a throaty roar in their S Type. While Reg & Jan and their friends bringing up the rear with sister vehicle XJV12 piloted by Ted & Marcia.

Our convoy then set off for the Pub with Sam leading the charge, and then wham...Sam started throwing bits of rubber back at Brendon who wasn't keen on having a rubber mascot on his bonnet. Then Sam's MK2 went on to blow the tyre to shreds.

Our convoy pulled over to the side of the road while Sam pulled out the jack, wheel brace and spare tyre which was FLAT. Fred to the rescue and took the spare tyre to Rollingstone to be pumped up. Sam's comment at this stage was he should have got Richard's spare before he headed to the hotel. Reg looked at the rim of Sam's wheel and thought it looked familiar so pulled out his own spare tyre and trundled it up to Sam and behold it fitted, put the wheel nuts on and we continued on our way.

Several clicks up the road Sam came to a halt again. At this stage Sam said no problems; only fuel starvation will fix it in a flash. He pulls out fuel filter which is chockers with brown stuff, cleans filter and replaces, he then hits the starter and after several attempts the battery dies!!! It's decided at this stage to leave Sam with his car and 6 people piled into Reg's car. In the meantime Fred has returned with the spare tyre so he turns around and we all head to Rollingstone.

When we get to the hotel Sam's Irish friend acquires a van and necessary jumper leads and goes back to help Sam. Reg thinks must be someone the Irish fellow knows, not so, Irish had entered the bar and asked all and sundry if anyone had jumper leads and why he required them and a bloke tosses his van keys to Irish telling him all he required was in the Van. By the time everyone else was settled in and had a drink Sam and his Irish friend were back.

At this point we would like to apologise to Sam's friend because we didn't catch his name but he did have a great Irish accent.

Sam is fast building up points to win the Bent Stem Trophy.....

After lunch and photo shoot we headed for home with four cars diverting to Marcia and Ted's house for Coffee and Cake. Thanks Marcia & Ted for inviting us it was a great end to a good Jaguar Run.

COMING EVENTS

From our Social Secretary Jan

Mingela Run

Don't forget we have our Mingela Run on Sunday 27th March.

Please meet at the Stuart Hotel at 10.30 am. Stuart Hotel is the one at Wulguru.

Give Reg or Jan a ring on 47 213636 to book your place for the trip. We need to know numbers so that the BBQ cook at the Hotel can buy in sufficient food to feed us all !!!

Your lunch will cost \$5 each, slightly cheaper than the last place. Please come along; it was great to see so many people on our last run so let's try for 12 cars this time.

Just a reminder of our Sausage Sizzle, Sunday 20th March

Be there by 6.30 am to help set up.

Thanks

Jan

CHANGE IN EVENTS CALENDAR

Please Note:

Calendar of Events on Page 2, Bowen weekend 27/28 August has been deleted and instead 20/21 August Pizza Day & Gymkhana with Restorers Club at the Ciranni Family Farm out from Tolga.

Travel up to Atherton on Saturday 20th, stay overnight and then spend day at the Farm. As this doesn't finish until 3pm approx, many may want to stay overnight on the Sunday.

Bowen weekend will be re-scheduled for a later date (as mentioned in following Minutes of last meeting)

REMINDER

Also a reminder if anyone is interested in Barefoot Bowls on a Tuesday night, please give Jan a ring.

This is for all the intelligent women you know... and all the men that have a sense of humour.

A *SPANISH* Teacher was explaining to her class that in Spanish, unlike English, nouns are designated as either masculine or feminine.

'House' for instance, is feminine: 'la casa.'

'Pencil,' however, is masculine: 'el lapiz.'

A student asked, 'What gender is 'computer'?''

Instead of giving the answer, the teacher split the class into two groups, men and women, and asked them to decide for themselves whether computer' should be a masculine or a feminine noun. Each group was asked to give four reasons for its recommendation.

The men's group decided that 'computer' should definitely be of the feminine gender ('la computadora'), because:

1. No one but their creator understands their internal logic;
2. The native language they use to communicate with other computers is incomprehensible to everyone else;
3. Even the smallest mistakes are stored in long term memory for possible later retrieval; and
4. As soon as you make a commitment to one, you find yourself spending half your pay on accessories for it.

(THIS GETS BETTER!)

The women's group, however, concluded that computers should be Masculine ('el computador'), because:

1. In order to do anything with them, you have to turn them on;
2. They have a lot of data but still can't think for themselves;
3. They are supposed to help you solve problems, but half the time they ARE the problem; and...
4. As soon as you commit to one, you realise that if you had waited a little longer, you could have gotten a better model.

The women won!

Two elderly women were in a beauty parlor getting their hair done, when in walked a young chick with a low-cut blouse that revealed a beautiful rose tattooed on one boob.

One woman leaned over to the other and said, "Poor thing. She doesn't know it, but in 50 years she'll have a long-stemmed rose in a hanging basket."

A new wine for seniors

California vintners in the Napa Valley area, which primarily produces Pinot Blanc, Pinot Noir and Pinot Grigio wines, have developed a new hybrid grape that acts as an anti-diuretic.

It is expected to reduce the number of trips older people have to make to the bathroom during the night.

The new wine will be marketed as Pino More.
