## SOCIAL EVENTS

### Hervey's Range Tea Rooms Run 26th February 2012

Regardless of the possible rainy weather, nine cars turned up around 1pm at the shop on Hervey's Range Rd for the run up the range to the tea rooms.

On arrival at the rendezvous it was a quick hello to and from members and then *(due to Keith's hunger pains)* we all boarded our beloved Jags and promptly headed to the Tea Rooms at the top of the range.

It was as usual a pleasant drive up the range with all the Jags behaving themselves mechanically, and just as I was settling in to enjoy the cruise we had already arrived. We all proudly parked in formation on the grassed area as usual *(just as if it was our own)* and this year, contrary to last year, we did not have the Hot Rod cars turn up and park in front of us, so the Jags sat proudly & sparkling on the hillside on their own *(as they should)*.

Sunday's seem to be a popular day for the Tea Rooms as it was very busy and we had to do some manoeuvring and re-arranging of the furniture to accommodate our members. I think if we had arrived just a little later we possibly would have been sitting on the grass next to our cars. *(They are surely lacking in improved undercover seating and eating facilities at this place).*

Most of us had a bite to eat and a drink and then sat around for a catch up with other members. After a short but enjoyable get-together the sky started to look rather threatening and about to share some raindrops with us, so we quickly packed up and hit the road again. It was a wet trip home for all of us and one of Kev's wiper blades decided to abandon ship, however after some umbrella roadside assistance we soon had him back on the road heading home again. Apologies were received from Ray & Julie, who were unable to attend due to a family occasion and also Jan due to family commitments while cruising the oceans.

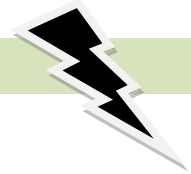

## REMINDER

This coming Sunday 18<sup>th</sup> March is our first Sausage Sizzle for this year at the Willows markets.  
We are also running a raffle to raise funds for the Royal Flying Doctor Service,  
so please if you can, come along and give a hand.  
Please give Reg or Jan a ring on 4721 3636 for the best time to attend and help.  
*(Remember "More hands make light work")*

## COMING EVENTS

The Bluewater Shop is once again open, if you prefer to buy some lunch, however petrol is NOT available as yet. This should be a lovely day out for members and a good run for the Jags, so polish and check your dip sticks and come along. Please let Jan or Reg know if you will be attending.

## FINAL FAREWELL FOR CRAIG SCHOLZ

***Last week we were saddened by the passing of our fellow member and friend Craig Scholz.***

Craig passed away on the 8<sup>th</sup> March after a long and courageous battle with cancer and he will be greatly missed by all who knew him. As a friend and Club Member, Craig will be especially remembered for his very characteristic and informative writings and stories in our Club Magazine and also his passion for his beloved and beautiful "Old Girl", his Biascan Blue 1981 Daimler Double Six Vanden Plas.

We extend our sincere condolences to Craig's partner Virginia and Family at this very sad time.

A Wake has been organized for Saturday 21<sup>st</sup> April to celebrate and remember Craig's life. It will be held at Craig and Virginia's home "Muntalunga Park" Alligator Creek at 4.30 pm. BYO drinks, chairs and food.

*(Ladies, please ring Jan beforehand re food to take to avoid doubling-up)*

---

*While Craig was waiting in line at the "Pearly Gates" St Peter announced,  
"Is there anyone here who has done something special in their life that would justify quick entry today?"*

*Craig stood up and said with delight*

*"Yes certainly St Peter, I was the proud owner and rejuvenator of a 1981 Jaguar Daimler Double Six Vanden Plas."*

*St Peter then swiftly replied,*

*"Good heavens you may enter immediately Craig, and parking is to the right".*

*My name is Murray Scoble, the proprietor of a little business you may of heard of. "PENINSULA JAG P/L" Originating from Victoria and getting underway in the late 50's and known as 'Bob How Jaguar' (My Uncle) right up until a change of ownership and name in the mid 70's. I have been at the helm now since 1991 and to the best of my knowledge would have to be one of the longest standing one make (Jaguar) specialist businesses in Australia, Yep 50 years plus and still going. Recently however I have moved and geared down the business and am concentrating strictly on the overhauling of Jaguar and Daimler motors, short or long, yours or mine and strapping them to pallets and sending them all over the countryside from my well organized workshop Sth East of Brisbane.*

## **A FUNNY TO FILL THE PAGE**

### **"Daddy, how was I born?"**

A little boy goes to his father and asks "Daddy, how was I born?"

The father answers, "Well, son, I guess one day you will need to find out anyway!"

Your Mom and I first got together in a chat room on Yahoo.

Then I set up a date via e-mail with your Mom and we met at a cyber-cafe.

We sneaked into a secluded room, where your mother agreed to a download from my hard drive.

As soon as I was ready to upload, we discovered that neither one of us had used a firewall, and since it was too late to hit the delete button, nine months later a little Pop-Up appeared that said:

"You got Male!"
